FINANCIAL AND APPOINTMENT AGREEMENT

Thank you for choosing Medi-Eagle Express Healthcare as your healthcare provider. We strive to offer quality and affordable services provided by qualified professionals. It is important that you understand your financial and appointment responsibilities, recommended treatment plan, the costs associated, and that some procedures may require referral to another dentist or specialist.

Medical or Specialist Referral: Your treatment may require services that cannot be provided at the Medi-Eagle Express Healthcare. In this case, you will be referred to another specialist for completion of your treatment. Payment arrangements must be made with the specialist office prior to your first visit.

Payment Expectations: The Medi-Eagle Express Healthcare provides many options for patients to minimize the financial barriers to healthy and complete care. As a courtesy we will file to Medicare. However, you will be expected to pay your estimated co-insurance at the time of service. If Medicare does not pay for part or all of the services, you are responsible for the billed amount. We realize that temporary financial situations may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in management of your account. If you show up without payment, your appointment will be rescheduled. True emergencies will be handled on a case-by-case basis.

Medicare: Your insurance policy is a contract between you and your insurance company. We are not a party to that contract. You understand that all charges are ultimately your responsibility even if insurance does not pay. Please be aware that some, and perhaps all, of the services provided may not be covered services and not considered reasonable and customary under the terms of your insurance policy. If you do not have insurance, Medi-Eagle Express Healthcare will help find an available financial assistant program. We do everything possible to keep our services affordable.

Emergencies: The Medi-Eagle Express Healthcare will provide emergency services whenever possible. However, referral to another Specialty, or Primary Care provider may be necessary to accommodate your emergent needs, based on the severity of the emergency. When there is not availability on our schedule, we will keep a waiting list for those emergencies that want to schedule with our clinic. Or, we will schedule you for the next available time, which could be several days.

Lab Charges: Some procedures require the use of an outside Lab for services. You must pay in advance for Lab services.

Scheduling, Cancelling and No-Showing for Appointments: The Medi-Eagle Express Healthcare will make every effort to schedule your appointments according to your recommended treatment. Check-in is twenty (20) minutes prior to your scheduled appointment time. An appointment must be cancelled at least two (2) hours prior to the time of the appointment or will be considered a "No Show". Patients that arrive ten (15) minutes late for scheduled appointment will be asked to wait in the lobby while the Front Desk staff review the provider's schedule for availability to determine if the patient can be seen at that time or at a later time.

Medi-Eagle Express HealthcareMedi-Eagle Express Healthcare HIPAA / Patient's and Provider's Rights and Responsibilities. The Medi-Eagle Express Healthcare provides copies of these policies. Patient acknowledges they have read and understand these policies.

Unattended Child: Medi-Eagle Express Healthcare strive on patient's safety as well as their children. Any child age 0-17 must be accompanied by an adult at all times. Failure to abide by this policy will result in the appointment being rescheduled.
